

# SILK WAISTS

Twenty-seven Waists are included in this lot. Some of them, were originally \$7.00 each. Most of them, though, were \$5.00 and \$6.00. They all go in at one price, - - - - - **\$3.98**

Then we have one lot of Black Taffeta and Jap Silk Waists that were marked \$5.00. These are to go at - - - - - **\$3.98**

The silk in these Waists is of a beautiful quality Clifton Taffeta in plain blue, brown, black and fancy plaid. While the quality can't be beat in these Waists, still they are ones we carried over from last season. We haven't the room to carry these with the big line of Winter Waists we are showing, so we take the loss of \$1.00 to \$3.00 to move them quickly.

## SALE OF SKIRTS

Twenty-five in blue, black, brown, light grey and dark mixtures. Values up to \$5.00. All for this sale at - - - - - **\$2.50**

Another lot of fifteen Skirts, including Black and Blue Chiffon Panamas and Black Sicilians, in values up to \$10.00. All for this sale at - - - - - **\$5.98**

Most of the above Skirts are excellent in quality and good values at the original prices. In some of them the style may be a little past, but none of them more than one season. At the present prices the material they are made of would cost more.

If you intend to get in on the Dress Goods Sale you'd better not delay, as several of the pieces have already been closed.

## THIS SEASON'S OVERCOAT STYLES

The newest Overcoat for the current season is the style known as the CAVALIER. This is shown on the left hand figure in the picture. Its distinctive lines, with flared skirts and form-fitting back, have made it much sought after by the best dressers. The next figure is that of the very popular GIBSON, the long, full box Overcoat. The conservative Coat is the ST. REGIS, which is shown on the central figure in the picture. This is slightly form-fitting. The moderate form of the fitted back Coat is the CARLETON, shown on the right hand figure. The season's styles in CRAVENETTE'S have the same tendency also. All Overcoats are cut with the long center vent, which adds materially to the style effect and gives greater facility in walking, especially in the longer styles. In addition there are also the plain box Overcoat styles, Storm Ulsters, fur-lined and fur-collared Overcoats and other cold weather garments, made for style as well as style. Our selection of fabrics and patterns is the most extensive we have carried in years. We invite your inspection of our Overcoat Department. Prices from \$7.50 to \$22.00.
